

National Historic Ships House Flags

National Historic Ships House Flags can be supplied for flying from Registered Historic Vessels only. All such vessels have already been supplied with certificates which include the vessel's Certificate Number. This number must be provided when ordering. The appropriate flag - Register Vessel or Fleet Vessel - will then be supplied in accordance with the vessel's official registry status.

Prices include postage by recorded or special delivery. Price includes VAT.

Payment is required with order and should be made by Cheque to Baronjay, by BACS or by similar bank payment methods (details on request). We are unable to accept payment by card.

Roped and toggled, these exclusive, high quality traditional style flags are sewn and appliquéd using M.O.D. quality woven polyester. Being of limited availability they are made to individual order and so delivery times can vary from 2 weeks upwards, dependent upon order book.

Listed below are standard sizes together with their prices.

Other sizes of Register Vessel Flag only can be supplied - price on application.

National Historic Ship Fleet Vessel

18" x 30"	£48.00
24" x 40"	£70.00
