DO YOU: ENJOY TALKING TO PEOPLE?

BELIEVE IN CONSERVING OUR MARITIME HERITAGE?

WOULD YOU ENJOY SPENDING A FEW HOURS OCCASIONALLY TO WELCOME VISITORS TO THE MARITIME HERITAGE CENTRE AT STIFFKEY?

The Centre is open at weekends and on Bank Holidays from 11.00am to 4.00pm, and occasionally by special arrangement for groups wishing to visit during the week.

Each shift is 2.5 hours, and we have two people on duty per shift.

Feedback from visitors is very positive - they love the exhibition and the opportunity to visit the boatyard. And they really appreciate meeting and talking to the volunteers.

You get to meet and talk to people, many of whom have fascinating stories to tell.

Events such as film shows and talks are periodically held at the Centre

YOU CAN PLAY A PART IN HELPING RESCUE WOODEN BOATS TO CONTINUE TO THRIVE.

Please contact us and volunteer today.
