

Travel and Accommodation in Glasgow

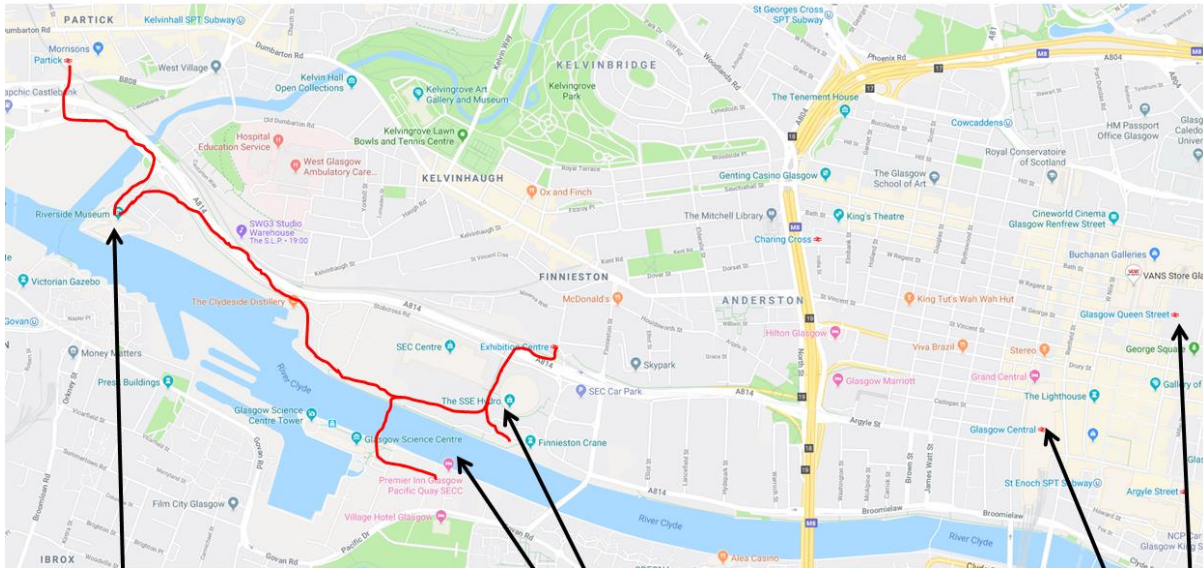

UKMHF 2019

There are two mainline rail stations in the city centre – Queen Street for arrivals from the East and North and Glasgow Central for arrivals from the West and South.

Glasgow Airport is to the west of the city with easy access to the Centre by Bus

Glasgow has a great rail, bus and subway network – Partick Interchange, Kelvinhall and the Exhibition Centre are likely to be the most useful stations, but there you can plenty of additional information here <http://www.spt.co.uk/>

Taxis are available from the airport and <https://www.glasgowairport.com/to-and-from/taxi/> within the city <https://www.glasgowtaxis.co.uk/> The main walking route to the museum passes through some undeveloped areas beside a busy road, so we don't recommend walking alone at night. We can arrange taxi shares if you let us know in advance.
